VENUE DESCRIPTION

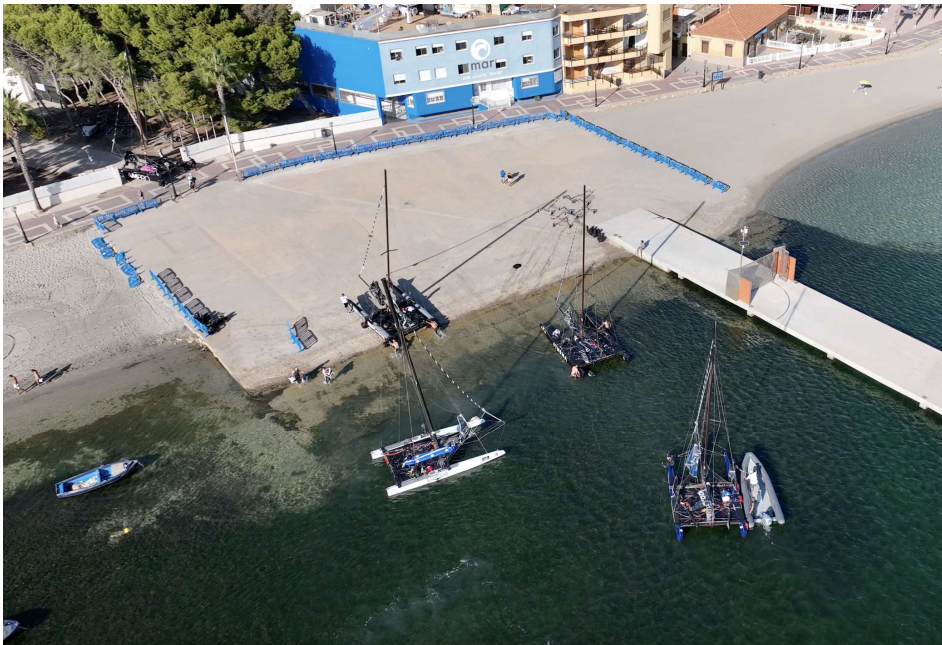

The ideal place to enjoy an active vacation or to relax between sea and nature. A mild climate, the attractive Mediterranean environment that frames the stunning beauty and accompanied by a pleasant temperature in the same hull of the city with all the tourist offers within reach.

Its medium and safe winds accompanied by a gentle swell, makes the sea minor is the site where we allow great emotions. Its ever-present winds make the sea the cradle of sailing and windsurfing enthusiasts. Its marina and its excellent yacht clubs and the autonomous sports center of reference is an ideal place for regattas and international competitions. The Meenor Sea also attracts canoeists, paddle boarders, surfers, motorsports etc...

While the bathing beaches bordering the shore and the services of beach bars, sun loungers, parasols, promenade with palm trees for running, walking, skating or cycling offer a relaxing and sporty alternative -

Those looking for an active vacation can find more opportunities inland, with hiking trails and mountain biking and in the flat Mar Menor area is also a favorite destination for cycling enthusiasts, running is also a great option for people who like thermal baths.

LOS

ALCÁZARES

Famous destination for relaxation and thermal cures and also close to two cities to visit with great history as is its capital Murcia where you can enjoy its squares, the casino, its theaters, the Veronicas market and its monasteries to highlight the Fuensanta and Cartagena for lovers of history.

Cartagena city founded in 1533, you can visit all kinds of monuments such as the Roman Theater and endless museums to highlight also the great military actividad with its variety of areas to visit as is the Submarine Isaac Peral and its port area that never ceases to amaze visitors.

Nearby you will also be able to visit lighthouses, lighthouses, play golf in the best golf courses valued at European level and all just 5 minutes from your destination.
