

A CLASS

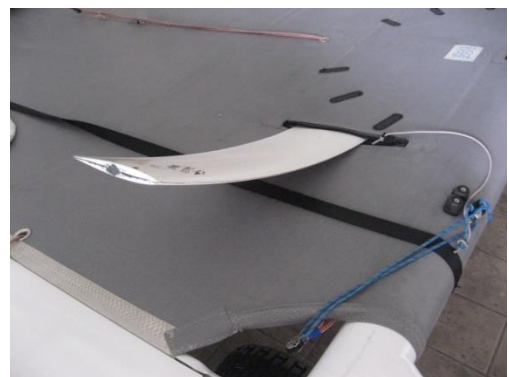

AUS 31

Much loved Nikita , owned for 13 years but sailed probably total 4 months.
Hulls by Nils and then finished by master craftsman Theo.
This platform is super stiff.
Arguably the best Nikita ever made.
Stored inside in factory all time.

- * **High Modulus Beams** – the stiffest on any Nikita made (I know ,Fiberfoam made them)
- * **Adjustable** Centreboards
- * Rudders with Winglets
- * **Offset Rudder arms** so you can sit far aft in strong wind
- * **Custom Trampoline** by 'Bags', with integral pocket
- * Weight measured at Arco 2022 European Championships at **78kg**
- * Winner overall European Championships 2022 Classic
- * Winner overall European Championships 2025 Classic

Available as Platform only = €16500-

Platform only is Hulls/Trampoline/C Centreboards / Rudders complete with cross-arm and Carbon Tiller extension
